~~Continuation~~

Note dated 3rd November

1943, from the Deputy Commissioner, Tumkur district, suggesting that the introduction of Rationing in Tumkur town may be postponed by about a month.

As rationing census has to be completed before introducing Rationing in Tumkur town, the Deputy Commissioner suggests that the date prescribed for starting Rationing viz. 10th November, 1943, may be postponed by about a month. The proposal may perhaps be sanctioned by D.C. being informed that Rationing should commence on 15th Dec 1943.

Subject: Introduction of rationing in Tumkur Town.

D. No 2903.

27/11/43
The rationing scheme has recently been sanctioned by Government (Please vide G.O. No. 2365-8/A dated 25-10-43). It has been ordered that the scheme may be brought into effect from 10-11-43. In the meanwhile proposals have been submitted for holding a regular census under the Mysore Rationing Census Order. As the statistics now collected are not quite accurate, it is for consideration if the introduction of rationing may be postponed by about a month, allowing sufficient time to complete a regular rationing census.
